

TITLE: What is the Message?

TEXT: Matthew 10:40-42

Questions to reflect on this week:

- How often am I consciously aware in my daily life, that I represent Jesus at all times, to the people around me?
- How different might my daily living look, if rather than dwelling on the fact that I'm not yet perfect, instead, I actively sought to live purposely each day, knowing that I represent Jesus?
- What is my life currently saying about Jesus?
- How might my words change, if I saw EVERY CONVERSATION as an opportunity to speak words of grace into the life of somebody else, as though Jesus was speaking?
- How might I live differently, if I were to treat EVERY INTERACTION as an opportunity to embody Jesus?
- How might the way I live my life change, if I were to believe that I bear the image of Christ to EVERY PERSON I encounter?
