

Title: Living with Cross Purposes or Disciple Wannabes?

Text: Matt 10:24-39

Questions:

-How willing am I to face opposition because I am a follower of Jesus?

-If I never face opposition because of my faith, what is that the case?

-Is it because I am hiding my faith, or watering things down, or running when things get difficult?

-In what way have I allowed family to become an idol and what might I do to demonstrate shifting your priorities towards Jesus?

-To what extent do I live with a cross purpose & how might such a cross purpos become even more evident in the life I live each day?
