

TITLE: Come to Me

TEXT: Genesis 24 & Matthew 11:28-30

July 5, 2020

**Questions to reflect on this week:**

- What step of faith might God be laying before me?
- In what way might God be saying "Come to Me?"
- To what extent is my weariness related to the fact that I haven't been going to Jesus as much as he might be calling me?
- What is Jesus saying to me today?
